

Interfaith Week of Prayer for Health Care

June 19 - 26, 2009

Sound the Alarm for Health Care Reform

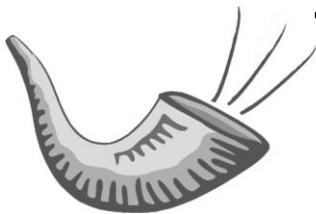

LOUDER THAN EVER BEFORE!

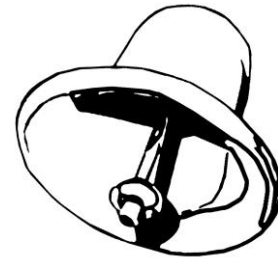

Summon your congregation to SOUND THE ALARM
with horns, bells, drums or other instruments.

Join communities of faith nationwide to sound the alarm
for a health care future that includes everyone
and works well for all of us.

June 19 - 21, 2009

This interfaith event offers
many ways to participate:
special prayers and litanies,
discussion groups, and more!

"Sound the Alarm" was first launched by the Faith Caucus of the Health Care Justice Campaign, an initiative of the Illinois Campaign for Better Health Care. In March 2009, more than 350 Illinois congregations chose to Sound the Alarm for Health Care Justice. They now invite others across the United States to join them in this important public witness. This flier was developed for their work and adapted with permission for the Interfaith Week of Prayer for Health Care.
